THE LIFE STORY OF ST. GEORGE

1

My name is George!
I grew up in a
Christian family
in Cappadocia,
dreaming of being
a brave soldier.

2

I joined the Roman Army
and became a high-ranking
officer in Palestine.

3

I served with honor,
defending the weak. But
soon, things changed...

4

One time, I arrived at Sil-
lene. The town was terrorized
by a fierce dragon!

We must
sacrifice people!

5

The princess was chosen to
be sacrificed to the beast!

Save me!

6

George: Fear not, Princess!
I will fight this monster in
the name of God!

7 The dragon attacked with fury!

8 With a mighty charge I fought and wounded the fearsome creature

9 George: Submit to Christ's power, evil beast!

10 We brought the defeated dragon to the city gate!

(TOWN OF SILENE)

11 King of Silene was so grateful to me and asked what he should do?

George: Believe in God and be baptized, and I will slay the beast forever!

King: Yes!

12 The entire city converted to Christianity and was baptized. The dragon was slain!

Hooray for George and God!

13 Emperor Diocletian orders all Christians to renounce their faith!

(DIOCLETIAN'S EDICT)

14 George: I cannot betray Christ! I am a Christian!

Arrest him!

15 George: Oh Lord, give me strength to face this persecution!

16 They tortured me, but my faith remained strong!

He refuses to break!

17 Diocletian: Sacrifice to our gods, George! Or die!

NEVER!

18 For my faith and deeds, I became St. George, a symbol of courage and knightly honor!
