Message

Dear Children, Parents and Teachers of Catechism,

We are obliged to God for the blessings he sprinkles upon us. It is inevitable to rear up our children in accordance with the inventiveness of the church. Church has given a significant importance to the consistency in our belief. So Malankara Catholic Church has regulated the lessons upto 12th standard which will cherish the growth of belief according to the Malankara Rite. A book named Bible Nursery is issued to all the younger children of the Major Archdiocese. A new text book name Bible Nursery UKG is also issued for brightening up their level of learning. I wish that our children should undergo catechism classes and their regular school learning simultaneously. Our aim is to make our children competent enough to lead a life with solid foundation in Bible and our teachers should also be polished up to catechize our children. It is my prayer from the heart that the younger minds of our children should prosper with seeds of divine thoughts.

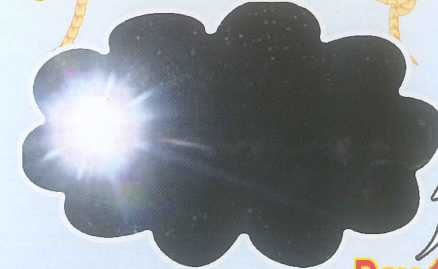

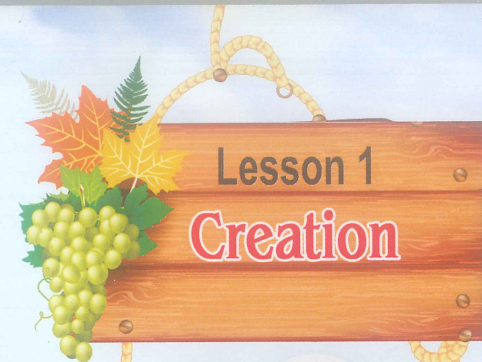

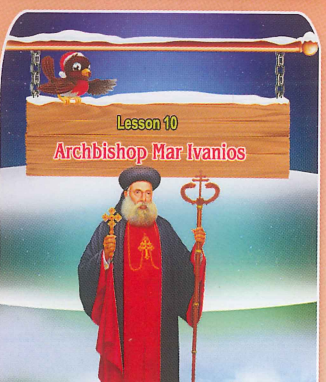

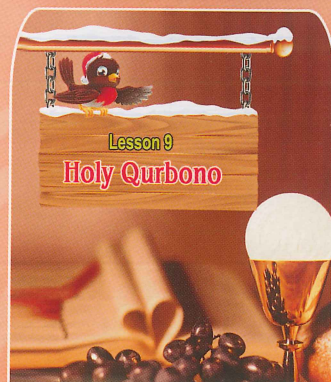

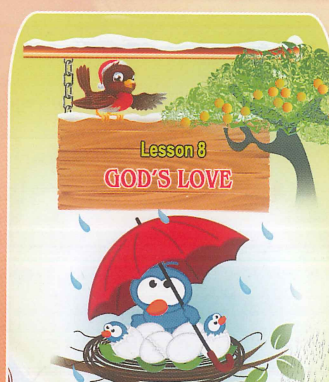

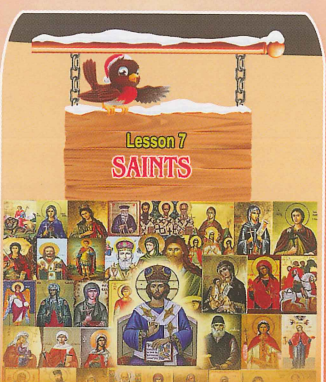

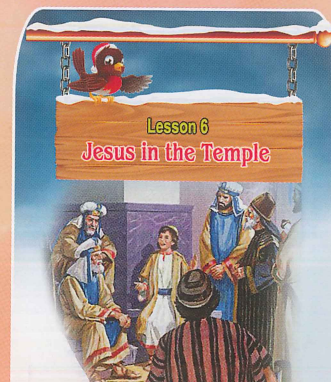

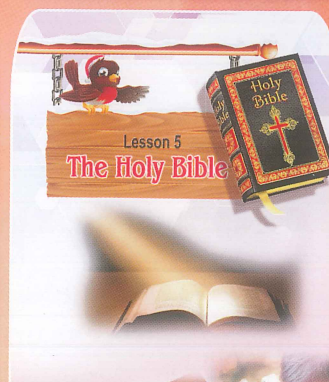

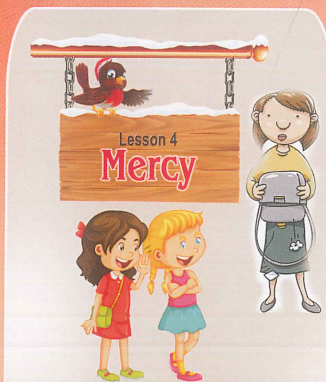

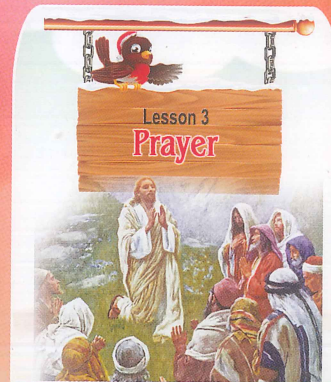

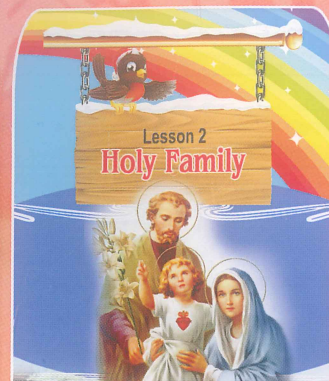

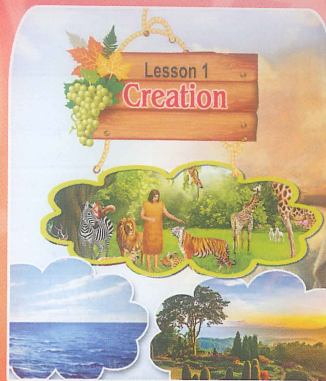

God bless you

Anna was a girl who went to church everyday. She loved Jesus very much “Jesus help me grow into a daughter you love” This is what she always prayed.

One day while she was praying Jesus seemed to say this to her “Those who love me are those who love and help others as themselves” suddenly Annie’s face flashed into Annas memory.

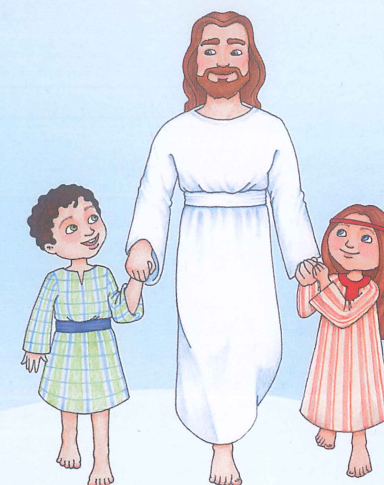

Annie was a poor girl. She wore old cloths. She did not have good bag or books. Most of the days Annie came to school without eating her breakfast, and for many days Anna kept noticing this.

When she returned home that day, Anna decided that she would help Annie as much as she can.

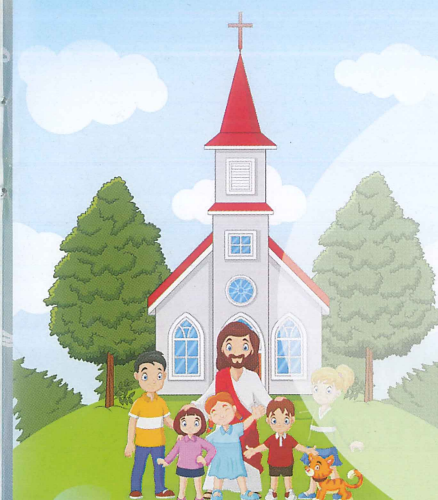

The next day while going the school Anna spoke to her father. She prepared good food and took nice cloths for Annie. She decided to be friendly with Annie. That night Jesus appeared to Anna in her dream said “When you gave Annie Clothe and food, you gave it all to me now you have become my favourite daughter.
